Major Applications

Redrow 2 development approved by Medway Council.

Trenport East and West of Church Street, Cliffe - No meeting arranged, although discussions had been held with Medway Council Planning and they have been reminded of need to discuss with Medway Council. Asset of Community Value – land value c,£8m+

Redrow 1 Development s106 for Bus Service (Online Teams meeting) - £691k allocated, over 5 years, but now Arriva do not propose a demand responsive solution, Medway have the view that it could be allocated better. Cllr Fribbins and the Chair raised the issues with the current service (supported by Medway Cllr Turpin and Williams –

- Service should extend to Cliffe to assist longer term commercial viability (usage, post s106 money)
- Problems with frequency and reliability of current service discourage use and encourage use of the car. (especially during afternoon and lack of service later in the evening, although recently extended to 7:30pm by Esquire1 s106 funding).
- 1/2 hourly rather than 1+ hourly encourages use and 'worth waiting' if service missing. The funds available may lead to one or two extra services only – Medway to consider options and follow-up with a further online meeting.
- **PROPOSAL PUBLISHED**

S106 Sporting facilities in Cliffe Woods – (Teams Meeting) Clerk, Chair and Vice-Chair met with Medway Planning officer to discuss a Section 106 contribution of £256,000, designated specifically for enhancing sports facilities in Cliffe Woods. Parish Council have submitted a response.
